

# STAS u-rail

## suspended ceiling becomes

## hanging system

STAS u-rail is specially designed for suspended ceilings. The rail is easily and almost invisibly attached to the supporting edge trim of the suspended ceiling.

STAS u-rail is also ideally suited for hanging whiteboards, art or large maps. So now, with just a small modification, your suspended ceiling becomes a versatile picture hanging system, ideal for use in offices, schools and healthcare facilities.

#### STAS u-rail screw

SP10100 white  
SP30100 alu  
SP20100 black

# STAS hooks and cords

After selecting a rail, choose a cord to hook anywhere into the rail and a hook to slide over the cord to the desired height.

The cords and hooks on this page can be combined with all STAS rail types, with the exception of the STAS wooden rails, STAS j-rail (max), STAS evoluon and STAS plaster rail.

### Important note regarding warranty and liability

Products of STAS must be installed and used only in strict accordance with the latest version of the STAS picture hanging systems installation guide, available for download at [www.stasgroup.com](http://www.stasgroup.com). It is the responsibility of the installer to select the correct fasteners for the particular installation. Improper installation, misuse, misapplication or otherwise failing to completely follow seller's instructions and warnings may cause product malfunction, property damage or personal injury.

### STAS products TÜV certified

STAS strives day after day for products of the highest quality. To guarantee the quality and independence of products, STAS has commissioned TÜV Netherlands for the testing of its products. TÜV Netherlands is an independent and recognized body that assesses the quality of products according to a set standard and has extensive experience in the field of product safety and product inspections. Under the direction of TÜV, a large part of our range of products has been tested for quality and correctness of the specified features. All products where the TÜV logo is shown, have actually been tested by TÜV Netherlands and approved for the capacity that is stated in the features of that product.
